UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEVADA
UNITED STATES V. GREGORY LEE TURPIN, 2:19CR00046

SUMMARY IN SUPPORT OF PETITION FOR WARRANT

August 19, 2021

By way of case history, Turpin was sentenced to 30 months custody followed by a three (3) year term of supervised release for committing the offense of Felon in Possession of a Firearm. On July 16, 2021, Turpin commenced supervision.

Turpin has struggled with compliance since the onset of supervision. On July 27, 2021, the RRC director contacted the undersigned officer and reported Turpin failed to report back to the facility and was placed on the absconder list. Turpin was subsequently labeled as a program failure and not permitted to return to the facility. The undersigned officer contacted Turpin who admitted to drug use and was scared to return to the facility. It should be noted Turpin previously absconded from the RRC facility while under BOP custody as well. Turpin turned himself in to the U.S. Marshall service a few days later. The RRC director gave Turpin another chance to reside at the facility though he was not required too.

On July 29, 2021, Turpin submitted a positive drug test for methamphetamine. Turpin admitted his use and agreed on a modification for 45 days Curfew with Location Monitoring in order to help get him back on track. On August 6, 2021, Your Honor modified Turpin's conditions to include 45 days of Curfew with Location Monitoring. On August 10, 2021, the equipment was obtained and installed.

On August 16, 2021, Turpin was 21 minutes late entering his residence. On August 18, 2021, Turpin failed to return to the residence at all. On August 19, 2021, Turpin admitted he messed up and was loaded on "crystal". Turpin was instructed to return to the residence and charge his location monitoring equipment but failed to do so. The undersigned officer spoke with Turpin's mother who confirmed Turpin failed to return home at all on August 18, 2021.

Turpin has demonstrated he cannot abide by the conditions set forth by this Court. He has only been under supervision a short amount of time and has already amassed numerous violations. Now, given his admission of continued drug use, Turpin is believed to be a risk to the community. As such, we respectfully request a warrant be issues to initiate revocation proceedings. It is further requested Turpin remain detained pending his revocation hearing before this Court.

Respectfully submitted,
